This article has been retracted: please see Elsevier Policy on Article Withdrawal (<http://www.elsevier.com/locate/withdrawalpolicy>).

Reason: The Editorial Board of the *Journal of Endodontics* has received an allegation of data fabrication of an article published in the February issue of the *Journal* (Yang et al., *JOE* 38:170–76, 2012). After review of available evidence, the Editorial Board believes there is sufficient evidence to doubt the veracity of the publication. Accordingly, we have retracted publication of this article.
